BIOGRAPHY

After growing up in Ardèche, Sophian Belgarbi very early on experimented with her desires for framings and light, starting by filming nature during his travels.

He began his career as an electrician and then as a chief electrician on film sets before assisting cinematographer Dylan Doyle on the feature film *Léa*, directed by Bruno Rolland.

Today, Sophian is very attached to putting his aesthetic talent at the service of brands such as Berluti, Alexandre Vauthier, Cartier, Paco Rabanne, Armani, Martin Margiela & Mykita, Vogue or even Loro Piana, with directors such as André Saraiva or Jean-Baptiste Mondino or even Masha Vasyukova. Making the most of natural sunlight, it meets current fashion requirements.

At the same time, he is developing his know-how on numerous clips, for various French and international artists such as Philippe Katerine, Imany or even Herbert Grönemeyer.

In 2024, Sophian Belgarbi photographed the series *Charqi & Gharbi* by Moroccan director Chaouqi El Ofir.

Very inspired by the worlds of different filmmakers such as Wes Anderson, Stanley Kubrick or even Gaspard Noé, Sophian is a passionate person who always seeks to convey emotion and visual energy with his work.

BIOGRAPHIE

Après avoir grandi en Ardèche, c'est en autodidacte que Sophian Belgarbi expérimente très tôt ses envies de cadre et de lumière en commençant par filmer la nature pendant ses voyages.

Il débute sa carrière en tant qu'électricien puis chef électricien sur des plateaux de cinéma avant d'assister le directeur photo Dylan Doyle sur le long métrage *Léa*, réalisé par Bruno Rolland, avec lequel il fait ses armes.

Aujourd'hui, Sophian est très attaché à mettre son talent esthétique au service de marques comme Berluti, Alexandre Vauthier, Cartier, Paco Rabanne, Armani, Martin Margiela & Mykita, Vogue ou encore Loro Piana, auprès de réalisateurs tels qu'André Saraiva ou Jean-Baptiste Mondino ou encore Masha Vasyukova. Exploitant au maximum la lumière solaire naturelle, il répond aux exigences actuelles de la mode.

En parallèle, il développe son savoir-faire sur de nombreux clips, pour des artistes français et internationaux variés tels que Philippe Katerine, Imany ou encore Herbert Grönemeyer.

En 2024, Sophian Belgarbi signe la photographie de la série *Charqi & Gharbi* du réalisateur marocain Chaouqi El Ofir.

Très inspiré par les univers de différents cinéastes comme Wes Anderson, Stanley Kubrick ou encore Gaspard Noé, Sophian est un passionné qui cherche toujours à transmettre une émotion et une énergie visuelle avec son travail.
