BIOGRAPHY

Boris has been working as a Director of Photography since graduating a BTS Audiovisual Image in Boulogne-Billancourt, France, in 2008.

Since the beginning of his career, he has cultivated a strong link with video installation, sound creation, and art film. During the years when he shared a workshop with the visual artist Andrey Zouari, they co-produced a trilogy of dreamlike films, *Djin Bird*.

2015 marks the start of a regular collaboration with his brother, director Raphaël Levy, from which many projects, documentaries and advertising are born, in which they reveal their common desire to exploit the image to the full.

Film experiences with fiction directors such as Marie Monge, Jérôme Clément-Wilz, Morgan Simon, Ilan Cohen, and more recently, Noé Debré, whom he has just signed du photography of his last movie, *The Last of the Jews*, whose release is scheduled for 2023.

To date, it has over a hundred projects photographed: short and medium-length fiction films, clips, experimental films, advertising and documentaries. Integrity, poetry and the sacred are its three watchwords.

BIOGRAPHIE

Boris exerce le métier de Directeur de la Photo depuis l'obtention d'un BTS Audiovisuel Image à Boulogne-Billancourt en 2008.

Depuis le début de sa carrière il cultive un lien fort avec l'installation vidéo, la création sonore, le film d'art. Durant les années où il partage un atelier avec le plasticien Andrey Zouari, ils co-réalisent une trilogie de films oniriques, *Djin Bird*.

2015 marque le début d'une collaboration régulière avec son frère, le réalisateur Raphaël Levy, de laquelle naissent de nombreux projets, documentaires, publicitaires, où ils révèlent leur envie commune d'exploiter l'image au maximum.

Le travail de Boris se nourrit des expériences filmiques vécues avec des réalisateurs de fiction tels que Marie Monge, Jérôme Clément-Wilz, Morgan Simon, Ilan Cohen, ou encore Noé Debré, dont il vient de signer la photographie du film *Le Dernier des Juifs*, dont la sortie est prévue pour 2023.

A ce jour sa filmographie compte une centaine de projets photographiés : Courts et moyens métrages de fiction, clips, films expérimentaux, publicitaires et documentaires. Intégrité, poésie et sacré sont ses trois mots d'ordre.
