BIOGRAPHY

After studying at the Toulouse Film School (ENSAV), Élodie began her career as an assistant for 13 years, working on a wide variety of projects such as commercials, music videos, documentaries and feature films.

She began her career as director of photography in 2013, primarily in advertising, with directors such as Nabil, Cass-Bird, Pierre Debuscherre, Barnaby Roper, Jean-Baptiste Mondino and for prestigious brands such as Henessy, Vogue, Niken Vuitton, Dior, Chanel, Gucci, Hermès, or even recently on a very noticeable film by Cédric Klapisch for Cartier.

Élodie also collaborates with artists such as the duo 99 Souls for This Girl is Mine (directed by Simon Bouisson and Ludovic Zuili) or even Kanye West and Travis Scott for Piss on your grave, directed by Nabil.

Cédric Klapisch's film Deux Moi, released in 2019, is her first feature film. Despite the fact most of her work is shooted in the studio, Élodie's meticulous work has kept all of the realism that sets the director apart.

Elodie Tahtane also signed the cinematography of the film Winter in Sokcho, directed by Franco-Japanese filmmaker Koya Kamura, which was shot in South Korea.

BIOGRAPHIE

Après des études à l'école de cinéma de Toulouse (ENSAV), Élodie Tahtane entame une carrière d'assistante pendant une dizaine d'années, travaillant sur une grande diversité de projets: publicités, vidéoclips, documentaires et longs métrages.

En 2013 elle débute sa carrière de directrice de la photographie, principalement en publicité tout d'abord, avec des réalisateurs tels que Nabil, CassBird, Pierre Debuscherre, Barnaby Roper, Jean-Baptiste Mondino pour des marques prestigieuses : Henessy, Vogue, Niken Vuitton, Dior, Chanel, Gucci, Hermès, ou encore récemment sur un film très remarqué de Cédric Klapisch pour Cartier.

Élodie Tahtane collabore également avec des artistes tels que Kanye West et Travis Scott pour le clip *Piss on your grave*, réalisé par Nabil.

Le film *Deux Moi* de Cédric Klapisch, sorti en 2019, est son premier long métrage. Le travail minutieux d'Élodie a permis de conserver tout le réalisme qui fait la signature du réalisateur, et ce bien que le tournage ait été tourné en grande partie en studio.

Élodie Tahtane a également signé la photographie du film du réalisateur franco-japonais Koya Kamura, *Hiver à Sokcho*, tourné en Corée du Sud.
