BIOGRAPHY

Martin Roux is a French director of photography and member of the AFC. Born in Bordeaux, it was after studying cinema at ENS Louis Lumière that Martin Roux began assisting cinematographer Caroline Champetier (AFC). A striking and formative collaboration over several years on ten feature films including *Les Innocentes*, from which a true professional bond was born.

Martin is now photographing feature and short films, documentaries and music videos, for artists like Catherine Ringer and Requin Chagrin.

Martin has collaborated on some twenty short films including *Tu seras un ultra* by Maxence Voiseux, the feature films *Simon & Théodore* by Mikael Buch, and more recently *L'Etreinte* by Ludovic Bergery and *Cléo, Melvil & Moi* by Arnaud Viard.

He also signed with great sensitivity the photography of the documentary by David Teboul *Mon Amour*, love stories in Siberia, *Les Démons de Ludivine* by Axelle Vinassac, *Monsieur Deligny* by Richard Copans, or *Portrait de mon Père,* by Félix Moati, with whom Martin collaborates regularly, and most recently the first feature film by director Romain de Saint-Blanquat (Easy Tiger), entitled *Anti-Yéyé*, and the Fanny Molins' documentary *Atlantic Bar*, selected at ACID Cannes 2022.

Martin finished at the end of 2022 filming Caroline Vignal's next feature film, *Iris et les Hommes* with Laure Calamy, and the new Fred Grivois' series for Arte entitled *Machine*. He is currently shooting Camille Perton's feature *Les Arènes*.

In 2026, Bérenger Thouin's debut feature film *L'Âge d'Or,* cinematography by Martin Roux, was screened in the Cannes Classic section at Cannes Film Festival.

BIOGRAPHIE

Martin Roux est un directeur de la photographie français membre de l'AFC. Né à Bordeaux, c'est après des études de cinéma à l'ENS Louis Lumière que Martin Roux débute en assistant la directrice de la photographie Caroline Champetier (AFC). Une collaboration marquante et formatrice de plusieurs années sur une dizaine de longs métrages dont Les Innocentes, d'où est née une véritable complicité professionnelle.

Martin signe aujourd'hui la photographie de long-métrages, de court-métrages, de documentaires et de clips musicaux pour des artistes comme Catherine Ringer ou Requin Chagrin.

Martin a collaboré sur une vingtaine de courts métrages dont *Tu seras un ultra* de Maxence Voiseux, les longs métrages *Simon & Théodore* de Mikael Buch, et plus récemment *l'Étreinte* de Ludovic Bergery et *Cléo, Melvil & Moi* d'Arnaud Viard.

Il a également signé avec beaucoup de sensibilité la photographie du documentaire de David Teboul *Mon Amour*, histoires d'amour en Sibérie, *Les Démons de Ludivine* de Axelle Vinassac, *Monsieur Deligny* de Richard Copans, ou encore *Portrait de mon Père*, de Félix Moati, avec qui Martin collabore régulièrement, et plus récemment le premier long-métrage du réalisateur Romain de Saint-Blanquat chez Easy Tiger, intitulé *Morsure*, et le documentaire *Atlantic Bar* de Fanny Molins dont il signe la photographie sélectionné à l'ACID Cannes 2022.

Martin a achevé fin 2022 le tournage du prochain long-métrage de Caroline Vignal, *Iris et les Hommes* avec Laure Calamy, ainsi que la nouvelle série de Fred Grivois pour Arte intitulée *Machine*.

En 2026, *L'Âge d'Or*, premier long-métrage de Bérenger Thouin, dont Martin Roux signe la photographie, est présenté à Cannes Classic à la 79e édition du Festival de Cannes.
