BIOGRAPHY

Clément de Hollogne is a Belgian-Swiss director of photography based in Paris. He discovered his vocation very early on, especially with his father, director, editor and photographer.

Graduating in a BTS Image, he sometimes used to go on the other side of the lens as a model, especially in Japan, where he also collaborated and improved his skills as an assistant for two years to then become a cameraman with the director Julien Pujol, who particularly trained him to 35 and 16 mm film. Nowadays, he navigates his talent and creativity in the different areas that his profession exposes to him such as fiction, advertising and music videos.

Clément collaborated with young director Lou Cheruy Zidi on several short films, notably the one with Nino (1st Moon Prize at the 7th Moon festival, Jury Prize at the Paul va au cinema festival), or Couleur Menthe à l'eau (The jury's favorite at the Paris court encore festival, Best foreign film award at the Little Wing Festival). In 2021, Clément worked with the promising director Lucie Bourdeu, on the short *Chariot*, produced by Vice and Westfield. Most recently, he worked again with directors Gerard & Kelly on the short *E For Eileen* and Virgile Texier on the short *2024, année quelconque*.

At the same time, he is known for his work in advertisements for brands such as Chanel, Gucci, Uniqlo, Lacoste, Fenty, Hugo Boss, Escada, Sessun, or J. M. Weston, always adapting to each other's universe, with directors like Ugo Mangin, Arnaud Lajeunie, Thurstan Redding, Camille Summers-Valli, Philippe Jarrigeon, the Posternaks, Ugo Mangin, Talia Collis, Manu Cossu, Nicolas Kantor, Gordon Von Steiner.

Clément also collaborates with various artists and directors on video clips.

BIOGRAPHIE

Clément de Hollogne est un directeur de la photographie belgo-suisse basé à Paris. Il découvre sa vocation très tôt, notamment auprès de son père réalisateur, monteur et photographe. Diplômé d'un BTS image, il passe parfois de l'autre côté de l'objectif comme mannequin, notamment au Japon, où il collabore et se perfectionne pendant deux ans comme assistant puis cadreur auprès du réalisateur Julien Pujol, qui le forme notamment à la pellicule 35 et 16 mm.

Il navigue aujourd'hui avec talent et créativité dans les différents domaines que lui expose son métier : de la fiction à la publicité en passant par le clip.

Clément a collaboré avec la jeune réalisatrice Lou Cheruy Zidi sur des courts-métrages de fiction, avec notamment Nino (Prix 1ère Lune au festival 7ème Lune, Prix du jury au festival Paul va au cinéma), ou encore Couleur menthe à l'eau (Coup de cœur du jury au festival Paris court toujours, Prix du meilleur film étranger au Little Wing Festival). En 2021, il a collaboré avec la réalisatrice prometteuse Lucie Bourdeu sur un court intitulé *Chariot*, produit par Vice et Westfield. Plus récemment, il a retravaillé avec les réalisateurs Gerard & Kelly sur le court-métrage *E For Eileen* ainsi qu'avec Virgile Texier sur le court-métrage *2024, année quelconque*.

En parallèle, il est remarqué pour son travail sur des publicités pour des marques telles que Chanel, Gucci, Uniqlo-Lacoste, Fenty, Hugo Boss, Escada, Sessun, ou encore J. M. Weston, en s'adaptant toujours à l'univers de chacune, avec des réalisateurs comme Ugo Mangin, Arnaud Lajeunie, Thurstan Redding, Camille Summers-Valli, Philippe Jarrigeon, les Posternaks, Ugo Mangin, Talia Collis, Manu Cossu, Nicolas Kantor, Gordon Von Steiner.

Clément collabore également auprès de différents artistes et réalisateurs sur des clips vidéo.
