BIOGRAPHY

Antoine Cormier is a cinematographer based in Paris. Passionate about image and cinema since childhood, he began after a BTS image by working with various rental companies such as RVZ, EYE Lite and Panavision to deepen his knowledge of the equipment. It is practiced in parallel on different cameras, in 8, 16 or 35 mm, by practicing film photography and of course digital imaging, mini DV, Hi8, etc. allowing him today to show solid technical knowledge.

Passionate about traveling, which also allowed him to develop his photographic skills, Antoine launched his career by collaborating in particular on fashion films as a first assistant, for example with Éponine Momencaeu, and quickly stood out for his talent and professionalism.

Today as cinematographer, Antoine Cormier is inspired both by the work of renowned cinematographers (Sayombhu Mukdeeprom, Rina Yang, Helene Louvart, Bradford Young, Robbie Ryan, Jessica Lee Gagné) and directors (Pedro Costa, Ulrich Seidl, Andreï Tarkovski, Chantal Akerman) but also photographers (Wolfgang Tillmans, Josef Koudelka, Nan Goldin) and painters (Johannes Vermeer, Le Caravage).

His artistic sensibility and his curiosity lead him to work as much on documentaries as on music videos, including advertising, art films and fiction, with a first short film in 2021 currently in post-production, a branch of he particularly aspires to develop.

BIOGRAPHIE

Antoine Cormier est un directeur de la photographie basé à Paris. Passionné d'image et de cinéma depuis l'enfance, il débute après un BTS image en travaillant chez différents loueurs tels que RVZ, EYE Lite et Panavision pour approfondir ses connaissances du matériel. Il s'exerce en parallèle sur différentes caméras, en 8, 16 ou 35 mm, en pratiquant la photo argentique et bien sûr l'imagerie digitale, mini DV, Hi8, etc. lui permettant aujourd'hui de justifier de connaissances techniques solides.

Passionné de voyages, qui lui permettent également de développer ses compétences photographiques, Antoine lance sa carrière en collaborant notamment sur des films fashion en tant que premier assistant, par exemple avec Éponine Momeceau, et se fait assez rapidement remarquer pour son talent et son professionnalisme.

Aujourd'hui en tant que directeur de la photographie, Antoine Cormier s'inspire aussi bien du travail de chefs opérateurs reconnus (Sayombhu Mukdeeprom, Rina Yang, Helene Louvart, Bradford Young, Robbie Ryan, Jessica Lee Gagné) que de réalisateurs (Pedro Costa, Ulrich Seidl, Andreï Tarkovski, Chantal Akerman) mais également de photographes (Wolfgang Tillmans, Josef Koudelka, Nan Goldin) et de peintres (Johannes Vermeer, Le Caravage).

Sa sensibilité artistique et sa curiosité le conduisent à travailler autant sur du documentaire que du clip, en passant par la publicité, le film d'art et la fiction, avec un premier court métrage en 2021 actuellement en post-production, une branche qu'il aspire tout particulièrement à développer.
