BIOGRAPHY

Born in France in 1982, Romain Alary's extensive travels have enabled him to widen his knowledge and horizons just like his life in Tokyo, Japan, a country that still inspires him today. Romain also trained simultaneously for several years as a camera assistant on advertising projects and narratives.

As a director of photography, he has worked on a wide range of commercials, music videos, documentaries and art films.

His talent and his sensitivity have thus led him to accompany directors such as Steven Meisel, Albert Moya, Summers Vallis, Neels Castillon, Axel Morin, Félix Cooper, Benn Northover, Laura Weaver or Jake Nava, for brands like Nina Ricci, Cartier, Acne, Chanel, Yves Saint-Laurent, Givenchy, Lanvin, Dior, Louboutin, Fendi, Zalando and many more.

Romain has also won several awards and is regularly nominated in festivals, such as the Silver Lion at Cannes in 2013 for his work on Honda The Centaur, directed by Alexander Kalchev, or for the Sanzhi clip, directed by Antoine Levi, which was nominated for the best photography award at the Camerimage Festival 2019, and the music video for DARIUS feat. Lost in the moment by Wayne Snowlost directed by Lisa Paclet won the 2018 Berlin Fashion Film Festival

BIOGRAPHIE

Né en France en 1982, Romain Alary s'est nourri de ses multiples voyages et de sa vie à Tokyo au Japon, un pays qui l'inspire encore aujourd'hui, se formant en parallèle pendant plusieurs années comme assistant caméra sur des projets publicitaires et narratifs.

Devenu directeur de la photographie, il a travaillé sur un large panel de publicités, de vidéoclips, de documentaires et de films d'art.

Son talent et sa sensibilité l'ont ainsi conduit à accompagner des réalisateurs tels que Steven Meisel, Albert Moya, Summers Vallis, Neels Castillon, Axel Morin, Félix Cooper, Benn Northover, Laura Weaver ou encore Jake Nava, pour des marques comme Nina Ricci, Cartier, Acne, Chanel, Yves Saint-Laurent, Givenchy, Lanvin, Dior, Louboutin, Fendi, Zalando et bien d'autres.

Romain a par ailleurs remporté plusieurs prix et est régulièrement nominé dans les festivals. Il a ainsi été récompensé par le Lion d'Argent à Cannes en 2013 pour son travail sur Honda The Centaur, réalisé par Alexander Kalchev. De même, le clip Sanzhi, réalisé par Antoine Levi, a été nominé pour le prix de la meilleure photographie au Camerimage Festival 2019, et le clip de DARIUS feat. Lost in the moment de Wayne Snowlost réalisé par Lisa Pacllet a remporté le Festival du film de mode de Berlin 2018.
